

Services in Church

We will continue with services online and in Church. This will enable us to join together in worship either in Church or online.

On most Sundays the service in Church will be streamed live and will be available online at 10am on Sunday and can be viewed at any time thereafter.

On some Sundays there will be a recorded Worship on the Web service which will be online from 10am on Sunday. It will be shown in Church in the service at 10am, when it will be followed by a short communion service.

The number of sides people has been reduced to 2. There is no need to record the names of those attending but they should be encouraged to scan the QR code if they have the app or to fill out one of the contact forms provided at the back of the Church. Please encourage people to sanitize their hands as they enter.

Note that these are subject to change dependent on Government and Church of England advice.

Thank you for your continued support.
