The report, which had been circulated prior to the meeting, was noted.

a) North Aisle

Geoffrey referred to the details of the North Aisle project which were available from a link in the report and summarised the position, particularly referring to the revised proposal relating to heating. It was **agreed** that the PCC supports the present proposals which are now the subject of formal consultation and hopes that the DAC in due course is able to give its formal support to them and that the application for a faculty is successful.
